Dear [redacted]:

25X1

Attached hereto my proposed itinerary for visiting the
Reseda, Kauai and Tokyo installations during January and
February of this year. I have allowed myself ten days in
Tokyo. While there, I should like to visit not only your
installation in Tokyo and at Komure and discuss our opera-
tion with appropriate officials in General MacArthur's
Headquarters, but I should also like to visit Sasebo,
Okinawa and Korea. I hope that I have allowed myself
enough time to do all of this.

If it is possible for me to do so, I will arrange with
Washington prior to my departure for you to accompany me
on these three trips. Any advance arrangements which you
can make to facilitate the accomplishment of these trips
will be greatly appreciated.

I am looking forward to meeting you and the other members
of the Tokyo staff and discussing your problems with you. I
have no plans other than those stated above and will be
available to see whatever there is to see and discuss whatever
there is to discuss in such order and at such times as you
think best.

Sincerely,

This document part of classified
integrated file. NAME CHECK required
prior to individual classification action.
